

DETAILS

Grow Family
Seed System kitset lightshade
5 sizes
Three largest sizes made from hoop pine
Construct your kitset by following our [instructional video](#)

STORY

"Koura is the Maori name for the small fresh water shrimps that live in our rivers. They curl up in this shape. This shape is mirrored again in the similar woven traps used for catching them. Our kitsets significantly reduce freighting, which is one of our ways of doing what we can to help preserve our beautiful sea and land environments." - David Trubridge

KOURA 500
Bamboo Plywood with Nylon Clips
E14 bulb holder with 2m of electrical cord
